

<b>NEW CLIENT QUALIFYING QUESTIONS + FINAL INTERVIEW QUESTIONS</b>			
<b>PROJECT:</b>			
<b>PRESENT:</b>		<b>DATE:</b>	

**Tell me more about your project, what are the project goals?**

**What is your time frame?**

**Are you speaking with other architects / designers?**

**Who else are you speaking with?**

**What is the budget you've allocated to the project?**

**What type of financing, or funding sources are available for this project?**

**What (if any) influence does financing have on timelines/project flow? Will the project need to be done in phases tied to financing?**

**What if the work costs more than you want to spend**

**Do you have any particular stylistic preferences?**

**Have you worked with other architects or designers before?**

**naturalbuild.ca**

*One of a kind timber frames enclosed in local, natural materials*

# Client Interview

---

**How did it work out?**

**Why do you need a Designer?**

**Who will be making the decisions? And how do you arrive at decisions?**
